## WAYLAND'S RECENT CMS QUALITY MEASURE SCORES

OVERALL QUALITY  
MEASURES

*Much Above Average*

SHORT-STAY CMS  
QUALITY MEASURES

*Much Above Average*

LONG-STAY  
QUALITY MEASURES

*Much Above Average*

The CMS Quality Measures check how well nursing homes are doing in areas like preventing falls, treating bedsores, managing pain, and using medications correctly. This helps show the quality of care provided by nursing homes. (source: CMS.gov)
